Musical Elements

Make significant observations about your chosen piece of music with regard to the three musical elements below. List the instruments/vocals you hear, and **choose to two other elements to report on**. Suggested elements that can be used are form, dynamics, melody, rhythm, tempo, beat, harmony or meter. Listen to your piece of music at least twice.

Element Instruments/vocals:

Element _____:

Element: _____:

Mood (at least 3 complete sentences)

State **one mood** that best describes the piece of music you listened to. **How do the composer/performers use the above mentioned elements to help create that mood?**

Why did you choose this music? (At least 3 complete sentences)

The type of music you listen to can reflect upon the person you are, your heritage, interests and your outlook on life. What do you like about the music you choose to listen to?
