June 1, 2017

Dear School Community Members:

My name is Alison O’Keefe and I had the privilege of serving as the school principal with Mr. Bott’s assistance on May 17th. Each year, students in National Honor Society have the opportunity to teach classes for the day. It is a wonderful and eye-opening experience to spend the day as a teacher.

As the school year comes to a close, we must prepare for final exams and Regents Exams. A few important dates to keep in mind are as follows:

- The last day of classes in Wednesday, June 7, 2017. After this date, students should only return to school for CCHS Final Exams and NYS Regents Exams.
- CCHS Final Exams will take place on June 8, 9, and 12, 2017.
- NYS Regents Exams will occur from Tuesday, June 13 through Thursday, June 22, 2017.

Please review the dates for these exams as it is each student’s responsibility to be on time and present for their exams.

Student who miss NYS Regents Exams in June, will have to take the exams in August 2017 or January 2018.

Summer reading lists for both high school and middle school students are included in this newsletter. It is advisable to get started early on these tasks.

Thank you for a terrific school year. Good luck to all of our students taking exams.

Go Crusaders!

Alison O’Keefe

Guidance Office News

JUNE 2017

Seniors have filled out a “**Post-Graduation Form**” indicating which college should receive their final transcript. If your senior has not made a final decision OR changes his/her mind, please notify the Guidance Office as soon as possible so the final transcript is sent to the correct college. ALL transcripts (including NCAA) and immunization records will be sent by Thursday, July 6, 2017.

2017 Regents Schedule:

Please review the 2017 Regents Schedule. The schedule is posted on our website. If you have any questions, please contact your child’s guidance counselor.

Report cards (grades 7-11) are scheduled to be mailed by July 1, 2017. We have restated the summer school policy below so that there will be no misunderstandings. Students requiring summer school will receive permission slips in the mail in order to register for summer school. Any student who is not required to go to summer school but wishes to repeat a course or Regents exam should pick up a permission slip in the Guidance Office. At that time, we will have information on the programs offered at all local school districts regarding registration dates, times and costs. Many local summer school programs are registering that week, so please plan ahead.

CCHS Policies Regarding Exams and Summer School

Any student who fails a course required for graduation **MUST** repeat that course in summer school. If the failed course is not required for graduation, it is strongly recommended that the course be repeated in summer school.

If a student fails a Regents exam but passes the course, he/she may go to summer school **OR** take the exam over in August. It is recommended that students have at least 5 hours of tutoring by a certified/qualified teacher.

If a student passes both the course and the Regents exam, but wishes to raise the grade of the exam, he/she may go to summer school **OR** take the August Regents exam. The request to take the exam must be made to your public school district by their deadline date.

Grades from ALL courses and/or exams taken during the school year AND during the summer will be recorded on the Permanent Record Card of the student. Summer school grades will not be calculated into the student's average.

Health/Sports Information

All new entrants, 7th and 10th graders, must have a physical performed by their private physician or by the school physician. **Sports physicals done by the school physician will meet this requirement.** Private physician physical forms are due by **October 1st** or you may call the school nurse, Julianne Welch at 235-7100 ext. 216 to inform her of a pending scheduled doctor's appointment. Pink physical forms were in your packet at registration time. Otherwise your son or daughter may obtain one from the school nurse or you can find them on the website.

Working paper applications can be obtained from the school nurse during the school year and from the Guidance Office in the summer months. The application must be submitted to the high school of the district that you live in. They will provide the working papers.
